

Don't ignore an **uncomfortable** problem.

Find comfort

with Urologic Services
at Henry County
Medical Center

KENTUCKY  LAKE
UROLOGIC
ASSOCIATES

You deserve to live a comfortable life. It's smooth sailing with KY Lake Urologic Associates.

When urological problems interrupt your life, don't ignore them. The experts at Kentucky Lake Urologic Associates offer a full range of urologic tests and procedures, designed with your comfort and health in mind. The services we offer and conditions we treat include:

- da Vinci® Surgery – state-of-the-art robotic technology for minimally invasive surgery, resulting in quicker recovery times and less pain
- In-office vasectomies
- Prostate screenings
- Urodynamics testing
- UTIs
- Urologic cancers
- Erectile dysfunction
- Voiding dysfunction
- Kidney and bladder stones
- Enlarged prostate and prostate infections
- Incontinence
- Pelvic Health Program
- Men's Health

Let us help you return to a comfortable, healthy life.
