CORONAVIRUS TESTING

**YOU HAVE JUST BEEN TESTED FOR COVID-19 OR
YOU HAVE SYMPTOMS, WHAT DO YOU DO NOW:**

1. SELF-QUARANTINE. STAY HOME. DO NOT GO OUT IN PUBLIC FOR 14 DAYS OR UNTIL YOU RECEIVE RESULTS OF A NEGATIVE TEST.
2. Review handouts provided by HCMC or other healthcare providers.
3. Call the COVID-19 Help Line at **(731) 644-8337** if you need assistance with meal delivery, medications, or other supplies as needed. Leave your name and number on the voicemail and someone from the Henry County Sheriffs Department Help Team will call you back to arrange for your needs.
4. If your symptoms get worse or you experience shortness of breath, please call your medical provider or go to the closest Emergency Room.
