

# STOP THE SPREAD OF CORONAVIRUS

## Wear a mask when you leave home!

- Help protect our healthcare workers by wearing a mask in our building, just as you would anywhere outside your home.
- To help conserve supplies, use cloth or homemade masks when visiting us, performing essential work or errands while also observing social distancing guidelines.

## Perform Hand Hygiene when entering and leaving the facility, the patient's room, or your home.

Wash hands with soap and water or clean hands with alcohol-based sanitizer
