

Visitation Policy Effective Wednesday, August 4, 2021

During this time of increased risk, HCMC Diagnostic Center is following recommended CDC guidelines to limit the spread of disease.

At this time, please observe the following rules:

- If you have fever or cough, PLEASE DO NOT ENTER.*
- Call the Center and you will be given instructions on how to proceed. The number to call is:*

731-644-8233

- Only ONE support person per OB Ultrasound patient will be allowed in the Center. NO ONE WILL BE ALLOWED TO WAIT IN THE WAITING ROOM.*
- To protect all patients, NO ONE Under the Age of 13 WILL BE ALLOWED in the Center unless they are the patient.*

Thank you for your cooperation.
